OBJECTIVE

My goal is to become associated with a company where I can:

- Utilize my skills and gain further experience while enhancing the company's productivity and reputation.
- Seek solutions and alternative methods to solve challenges faced on the job
- Work in a growth positive environment, open to new ideas and suggestions

EXPERIENCE

**February 2019 –
Present**

Glover Daniels International, Research Associate.

I work at an international company delivering fast, flexible and thorough recruitment research solutions to leading multinational companies and executive search consultancies around the world. We are able to cover all the main sectors and regions from one strategically located Global Delivery Centre of Excellence.

Covering a broad array of sectors, such as IT services, Telecommunication, Banking, Financial services, Legal, Oil/ gas/ energy/ construction, healthcare etc.

**November 2018 –
December 2018**

Holborn Assets, Intern Lead Generator.

My job role requires the following, but not limited to below:

- Interpreting data, analyzing results and preparing quality reports.
- Develop and implement data collection.
- Ensure quality data extraction.
- Work closely with team members to achieve monthly targets

* Company shifted branch to another country

**August 2017 –
October 2017**

Wesswood International College, ICT Teacher.

Developed ICT subject learning plans for the grades 3 through 6. While attending to the needs of the class as a whole, individual attention was also given to those with learning difficulties.

Identified the students varying learning methods and applied unique teaching methodologies to accommodate them.

EDUCATION

**February 2017 –
November 2018**

Completed Higher National Diploma in Computing and Systems Development at Esoft Metro Campus, Kandy.

Currently waiting for results and certifications

**January 2016 –
December 2016**

Foundation Program for IT at External Degree Center, University of Colombo School of Computing
