## CORPORATE EXPERIENCE

- **Third Space Global (Pvt) Ltd**

November 2016- August 2018

I joined Third Space Global as a trainee tutor, and upon successfully completing the probation I was designated as an Associate Mathematics tutor. Going forth, in August 2017, due to strong commitment to the job, in achieving my targets and showing out creative work styles, I was promoted to the role of

Tutor Team Assistant. Under this role I was given the additional responsibility of managing a small team of tutors and be responsible for their targets, while also maintaining my achievement in terms of volume and quality of the lessons. At an early stage in career, I found this role extremely value adding given the various challenges I faced in managing and delivering my role as a tutor.
