

Important Notice for all BIT Students registered before 2018

To all registered students of the Bachelor of Information Technology (BIT) External Degree of the University of Colombo School of Computing before 2018 academic year

This is to inform that the stipulated time period granted to complete the BIT Degree program for those who have registered **before 2018** intake will lapse by **31st December 2020**. Therefore, you are strictly advised to complete all the degree requirements specified by the University of Colombo School of Computing within the given deadline.

Failure to complete the requirements applicable on the degree program that you have registered will result in the **cancellation of the student registration**.

However,

- (a) Those who have successfully completed the level I (year 1) of the BIT degree and obtained the **Diploma in IT (DIT) qualification** offered by the UCSC by the 31st December 2020, **can directly register for the Level II (Year 2) of the BIT degree program as a new student**.

Or

- (b) Those who have successfully completed the Level II (Year 2) of the BIT degree and obtained **Higher Diploma in IT (HDIT) qualification** offered by the UCSC by the 31st December 2020, **can directly register for the Level III (Year 3) of the BIT degree program as a new student**.

Or

- (c) Those who have **not completed** at least one level (Diploma/Higher Diploma) by the 31st December 2020, may register under the new entry criteria as **a new student** if he/she submits a **written request** to cancel their previous registration including the examination results that they have obtained under the previous registration.

Thank you,

Director

University of Colombo School of Computing
